## WORK EXPERIENCE

**CNN+** | New York City | Nov. 2021-present

### Associate Producer

- Manage visual assets for the Breaking News team — events included Brooklyn subway shooting and Ketanji Brown Jackson’s confirmation.
- Organize, anticipate, and take requests for videos, images, and graphics.
- Support senior producers and update assets while on-air in control room.
- Edit SOTs and VOs using Adobe Premiere and build show rundowns in iNews.
- Produce graphics using Viz Pilot in various CNN show styles.
- Communicate with Rights and Clearances, Legal, and Social Media teams to clear the latest videos and images.
- Collaborate with editors during post-production for taped episodes.
- Research and write scripts in the CNN ‘5 Things’ style.
- Track down archival footage and find sources for licensing.
- Direct, oversee, and train Production Assistants.

**Fox Business** | New York City | Aug. 2019-Oct. 2021

### Digital Production Assistant

- Monitored, cut, and packaged video from the Fox Business Network to use online, anticipating and adapting to breaking news and internal requests.
- Edited videos against tight deadlines during live events.
- Worked with Assignment Desk to coordinate livestreaming events.
- Pitched, wrote, researched, and fact checked stories for [FoxBusiness.com](http://FoxBusiness.com).
- Oversaw and provided feedback for team of interns.
- Created original videos to supplement articles on the FBN website.

**Bold TV** | New York City | Nov. 2016-June 2019

### Producer, Bold TV Live-Streamed Shows

- Directed on-air talent and video/sound producers in control room during weekly live shows on political, business, and lifestyle news. [Producer reel here.](#)
- Supervised workflow, call sheets, research, guest booking, pre-interviews, scripts, and technical elements through every step of production.
- Launched Bold TV’s business show and conceptualized/launched Bold TV’s lifestyle show. In first 3 months, grew weekly viewership sixfold.
- Coordinated coverage of in-the-field events like Election Night 2016.
- Executed build and launch of Bold TV’s live studio.

**The Young Turks** | New York City | Summer 2019

- **Production Assistant:** Collaborated with TYT team in researching, prepping, and writing interview questions for [Andrew Yang](#). Assisted with field production.

**Salon.com** | New York City | Oct. 2016-May 2017

- **Contributor:** Produced video for [Salon’s site](#), both in the field and in-studio.

## EDUCATION

**Colorado State University**, Fort Collins, CO. — 2016

- **BA degrees in** Journalism and Media Communication, Communication Studies
